

# SEAN CRATER

## DESIGNER & DEVELOPER

### EDUCATION

**B.F.A. Graphic Design - Keene State College**  
Minor in Studio Art  
2015

### EXPERIENCE

#### **Freelance Designer & Developer**

**May 2013 - Present**

Created various logos, print materials, and websites running WordPress for a wide range of clients including Steadman Media Group, a lawyer, and a couple of architects.

#### **Contracted Freelance Front-End Developer - Lifestyles Ink (Taste for Life Magazine)**

**May 2014 - Present**

Learned the Drupal CMS and built a template using the Zen framework using SASS. Worked on a tight schedule to meet a deadline. Currently working in close coordination with marketing to find new technologies to drive web traffic and find new sources of income.

#### **Webmaster - The Equinox (Keene State College Student Newspaper)**

**May 2014 - Present**

Responsible for uploading content to the website each week, tracking web traffic, and determining how to stay modern. Currently planning a smooth change from shared hosting to a dedicated server along with a new template for the winter break.

#### **Graphic Design Intern - Lifestyles Ink (Taste for Life Magazine)**

**January 2014 - May 2014**

Created magazine spreads in InDesign, responsive landing pages using HTML/CSS/some JavaScript, MailChimp newsletters, and some motion graphics.

#### **Graphic Designer - Sodexo (Keene State Dining)**

**September 2013 - April 2014**

Designed print and web media to promote upcoming events in coordination with the head of marketing.
